### **French Based Company, Concrete Equipements and Command Alkon Join Forces**

**Birmingham, AL – February 1, 2008:** Command Alkon, a global leader in integrated solutions for the construction and bulk materials industries, has reached a definitive agreement with French based Concrete Equipements to become a division of Command Alkon. This joining between Command Alkon and Concrete Equipements will add more depth and breadth to the array of products and services available to Ready-Mixed Concrete, Aggregate, Asphalt, Cement and Block producers worldwide! Concrete Equipements customers will benefit from these combined resources through new products and the latest in technological advances. Concrete Equipements will continue to be led by the same management team that has brought a high reputation for quality products and services.

Since 1998, France based Concrete Equipements has been a leading supplier of Batching, Management, Planning, and Maintenance Systems to the European, Middle Eastern and South African markets. Concrete Equipements will retain its current management, employees and office location. For more information about Concrete Equipements, please visit their web site at [www.concrete-equipements.fr](http://www.concrete-equipements.fr).

All Concrete Equipements product lines will continue to be sold and supported. Each product line has an existing customer base with unique needs that both Concrete Equipements and Command Alkon will continue to provide for now and into the future.

Command Alkon is a Birmingham, Alabama based company with offices in Columbus, Ohio, Kansas City, Kansas, the UK, Netherlands, Colombia, India and Australia. Command Alkon has been a long-term, financially stable provider to the construction and bulk materials industries for over 30 years.

Command Alkon offers 24-hour customer service seven days a week. You may reach a Command Alkon representative through its web site at [www.commandalkon.com](http://www.commandalkon.com), or call toll-free from the U.S. or Canada at 1-800-624-1872.
