### ***JWS Corporation and Command Alkon Join Forces***

---

**Birmingham, AL – September 1, 2006:** Command Alkon, a global leader in integrated solutions for the construction materials industry, has reached a definitive agreement with JWS Corporation to become a division of Command Alkon. This joining between Command Alkon and JWS will add more depth and breadth to the array of products and services available to Concrete, Ready Mixed, Aggregate, Asphalt, Cement and Block producers worldwide! JWS customers will benefit from these combined resources by bringing new products and the latest in technological advances directed by the same successful JWS management team that brings a high reputation for quality products and service to the industry.

JWS Corporation has been a leading supplier of truck scale ticketing and billing software to the Aggregate, Asphalt and Cement industries since 1988. Since that time they have supplied over 2,300 locations throughout North America with comprehensive, easy-to-use software. JWS will retain its current management, employees, office location and will become a division of Command Alkon. For more information about JWS Corporation, please visit the web site at [www.jwscorp.com](http://www.jwscorp.com) or call (913) 384-0880.

Both the JWS Apex and the Command Alkon COMMANDaggregate product lines will continue to be sold and supported. Each product line has an existing customer base with unique needs that both JWS and Command Alkon will continue to provide for now and into the future.

Command Alkon is a Birmingham, Alabama based company with offices in Columbus, Ohio, the UK, Netherlands, and Australia. Command Alkon has been a long-term, financially stable provider to the construction materials industry for over 30 years.

Command Alkon offers 24-hour customer service seven days a week. You may reach a Command Alkon representative through its web site at [www.commandalkon.com](http://www.commandalkon.com), or call toll free from the U.S. or Canada at 1-800-624-1872. If outside of the U.S. or Canada, please call +1-205-879-3282.
