Command Alkon Announces a New Product Division

Birmingham, AL – June 10, 2010: Command Alkon and Systech Incorporated leaders in integrated solutions for the construction and bulk materials industries celebrate the formation of The Integra Product Division of Command Alkon.

“The Command Alkon Integra Product Division will add more depth and breadth to the array of products and services available to Concrete, Ready Mixed, Aggregate, Asphalt, Cement and Block Producers in North America. We welcome the many experienced Systech employees to the Command Alkon team.” said Phil Ramsey, President of Command Alkon.

Command Alkon and Integra customers will benefit greatly from these combined resources through the development of new products and the latest in technological advances with teams that you have developed relationships with over the years.

Both the Integra and the Command Alkon product lines will continue to be extended and supported. Each product line has an existing customer base with unique needs that Command Alkon will continue to provide for now and into the future.

Command Alkon is a Birmingham, Alabama based company with offices in Columbus, Ohio, Chicago, Illinois, Kansas City, Kansas, the UK, France, the Netherlands, Colombia, Australia and India. Command Alkon has been a long-term, financially stable provider to the construction materials industry for over 30 years.

Command Alkon offers 24-hour customer service seven days a week. You may reach a Command Alkon representative through its web site at www.commandalkon.com, or call toll free from the U.S. or Canada at 1-800-624-1872. If outside of the U.S. or Canada, please call +1-205-879-3282.
