

# COMMANDseries COMMANDaggregate Map Truck Tracking (CA-MT)

---

**Description**      COMMANDaggregate's Map Truck Tracking (CA-MT) module Shows the actual location of selected trucks on a map.

---

**Features**

- Quickly identify the exact location of any truck from the tracking screen.
- Assist Drivers in locating hard to find sites
- Identify the best route to a job or the best route around everyday traffic problems.
- Provides exact locations of a truck in emergency situations such as accidents or breakdowns.

---

**Prerequisite Modules**

- **Order Entry and Ticketing (CA-OE)**
- **Truck Tracking (CC-TT)**
- **Customer to supply mapping software. Command Data mapping interfaces currently support Microsoft MapPoint 2000 and MapObjects.**

---
